Exceptions have been made by the College of Business based on curriculum and learner outcomes. Such exceptions will be noted on the following page.

Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the Policy on Inter-college Transfer and Articulation Among Washington Public Colleges and Universities published by the Higher Education Coordinating Board. The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes.
