This summary of policies concerning transfer is based on the 2014-2015 Peninsula College catalog and the on-line 2014-2015 Central Washington University catalog http://www.cwu.edu/~catalogs/. This transfer policy guide is located at http://www.cwu.edu/~regi/equivalencies/transferequivalencies.html and is updated frequently with new information/course equivalencies. Common Course Number (CCN) courses accepted from any accredited Washington Community College are listed on the Master Common Course sheet, individual variances are listed with the school where the exception exists.

TRANSFER OF CREDIT:

1. A maximum of 105 credits numbered 100 and above will be transferred, with the exception of non-credit courses, workshops, remedial or college preparatory, technical, vocational, and sectarian religious studies courses. A complete list of non-transferable courses is available at http://www.cwu.edu/~regi/equivalencies/college_list.html and at the end of the course equivalency sheet. All students transferring from a 2-year college will be required to complete at least 75 quarter credits at a 4-year institution, with a minimum of 45 credits at CWU.

2. PASS/FAIL: A maximum of 15 credits of "Pass" graded courses (student option) may apply for graduation and be applied toward general electives.

Students transferring with the degree of Associate in Science Transfer, Track 1 or 2 will normally transfer in junior standing; however, additional courses must be taken by the student at CWU to satisfy the general education requirements. This consists of English 102 and 15 additional credits from a combination of CWU Arts & Humanities and Social & Behavioral Sciences general education courses.

5. TRANSFER WITHOUT AA DEGREE: Students transferring without a Direct Transfer Agreement (DTA) degree must fulfill the CWU general education requirements. Peninsula College courses listed on the preceding page will fulfill the CWU requirement section that corresponds to their location on that page. All courses taken to satisfy general education requirements must be taken for a letter grade.

Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the policy on inter-college transfer and articulation among Washington public colleges and universities as published by the Intercollege Relations Commission (ICRC). The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes. For more detailed information, contact the Registrar Services Division or go to http://www.washingtoncouncil.org/icrc.htm “Transfer Rights Statement.”
