TRANSFER POLICIES

2015 - 2016

This summary of policies concerning transfer is based on the 2015-2016 Grays Harbor College catalog and the on-line 2015-2016 Central Washington University catalog <http://www.cwu.edu/~catalogs/>. This transfer policy guide is located at http://www.cwu.edu/~regi/equivalencies/college_list.html and is updated frequently with new information/course equivalencies. Common Course Number (CCN) courses accepted from any accredited Washington Community College are listed on the Master Common Course sheet, individual variances are listed with the school where the exception exists.

TRANSFER OF CREDIT:

1. A maximum of 105 credits numbered 100 and above will be transferred, with the exception of non-credit courses, workshops, remedial or college preparatory, technical, vocational, and sectarian religious studies courses. A complete list of non-transferable courses is available at http://www.cwu.edu/~regi/equivalencies/college_list.html and at the end of the course equivalency sheet. All students transferring from a 2-year college will be required to complete at least 75 quarter credits at a 4-year institution, with a minimum of 45 credits at CWU.
2. PASS/FAIL: A maximum of 15 credits of "Pass" graded courses (student option) may apply for graduation and be applied toward general electives.
3. FIELD EXPERIENCE: A maximum of 10 credits earned in field experience/cooperative education courses may be transferred from a community college.
4. DESIGNATED TRANSFER ASSOCIATE DEGREE: Students transferring with the degree of **Associate in Arts (DTA), Associate in Business (DTA/MRP) or Associate in Pre-Nursing (DTA/MRP)**, will normally transfer in junior standing and automatically satisfy the Basic & Breadth Requirements at CWU. Students earning an AA degree after transferring to Central must complete the AA within one year or 45 credits after initial enrollment at CWU. Students transferring with the degree of **Associate of Science-Transfer, Track 1 or 2**, will normally transfer in junior standing; however, additional courses must be taken by the student at CWU to satisfy the general education requirements. This consists of English 102 and 15 additional credits from a combination of CWU Arts & Humanities and Social & Behavioral Sciences general education courses.
5. TRANSFER WITHOUT AA DEGREE: Students transferring without a Direct Transfer Agreement (DTA) degree must fulfill the CWU general education requirements. Grays Harbor College courses listed on the preceding page will fulfill the CWU requirement section that corresponds to their location on that page. All courses taken to satisfy general education requirements must be taken for a letter grade.

REQUIREMENTS FOR SPECIFIC DEGREE PROGRAMS:

3. COLLEGE OF BUSINESS: Since 2011, Intro to Business Law or Intro to Law courses are no longer accepted as a direct equivalency to BUS 241, Legal Environment of Business, regardless of the course number or when it was taken, with the exception of BUS& 201.

Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the policy on inter-college transfer and articulation among Washington public colleges and universities as published by the Intercollege Relations Commission (ICRC). The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes. For more detailed information, contact the Registrar Services Division or go to <http://www.washingtoncouncil.org/icrc.htm> "Transfer Rights Statement."
