Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the policy on inter-college transfer and articulation among Washington public colleges and universities as published by the Intercollege Relations Commission (ICRC). The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes. For more detailed information, go to Registrar Services <http://www.cwu.edu/registrar/transfer-equivalencies-policies> "Transfer Student Rights and Responsibilities" or go to <http://www.washingtoncouncil.org/icrc.htm> "Transfer Rights Statement."
