This transfer policy guide is located at http://www.cwu.edu/~regi/equivalencies/college_list.html and is updated frequently with new information/course equivalencies. Common Course Number (CCN) courses accepted from any accredited Washington Community College are listed on the Master Common Course sheet, individual variances are listed with the school where the exception exists.

TRANSFER OF CREDIT:

1. A maximum of 105 credits numbered 100 and above will be transferred, with the exception of non-credit courses, workshops, remedial or college preparatory, technical, vocational, and sectarian religious studies courses. A complete list of non-transferable courses is available at http://www.cwu.edu/~regi/equivalencies/college_list.html and at the end of the course equivalency sheet. Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the policy on inter-college transfer and articulation among Washington public colleges and universities as published by the Intercollege Relations Commission (ICRC). The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes. For more detailed information, go to Registrar Services <http://www.cwu.edu/registrar/transfer-equivalencies-policies> "Transfer Student Rights and Responsibilities" or go to <http://www.washingtoncouncil.org/icrc.htm> "Transfer Rights Statement."
