

UNOFFICIAL EVALUATION REQUEST FORM

This evaluation is intended to assist individuals who are interested in exploring how their prior credits would transfer into a CWU program, but do not have ready access to their Official Transcripts. An unofficial evaluation will be completed using transcripts provided and using the current catalog only. All transcripts to be considered for the Unofficial Evaluation should be attached to the Unofficial Request Form at the time of submission.

This evaluation is for advisement purposes only, and should not be interpreted as a guarantee of any specific course equivalencies, or program requirements. The accuracy of this evaluation rests largely on the completeness of the records provided. Individuals are encouraged to list every source of collegiate credit.

Use the PAID OFFICIAL EVALUATION REQUEST FORM if you wish to have a credit evaluation for an older catalog year or if you are a former CWU student.
