* It is recommended students complete as much of the General Education Requirements as possible; taking at least ENGL& 101, one of the listed Math classes, and a lab science class during their time at Yakima Valley Community College.

**PLANNING NOTES:**

1. Students may transfer a maximum of 135 total credits from regionally accredited four-year universities, including a maximum of 105 credits from regionally accredited community colleges.

2. CWU Transfer Policies and Course Equivalencies can be found at [http://www.cwu.edu/registrar/transfer-equivalencies-policies](http://www.cwu.edu/registrar/transfer-equivalencies-policies).

3. Contact the BAS-ITAM Program Coordinator at ITAMinfo@cwu.edu early in your academic career.

4. Apply for admission to CWU at www.cwu.edu/admissions. Visit the CWU-Yakima Campus early in your academic career to find out if you are eligible for dual admission. Find application and guidelines at www.cwu.edu/admissions/dual-admission.

5. We recommend that you apply to the ITAM major one quarter before you plan to begin taking classes at CWU. This ensures you will start receiving important advising information on classes and registration.

**BAS-ITAM Admission Requirements**

1. Completion of an applied or technical degree from a community college or technical college with a minimum GPA of 2.3.

2. A world language is not required.

3. In addition to the BAS-ITAM core courses, students must select a specialization. Each specialization has unique admission requirements:

   **Administrative Management**: Any professional/ technical associate degree with at least 40 credits in an applied area.

   **Cyber Security**: A professional/ technical degree in a computer related discipline, or department permission.

   **Information Technology**: A completed two-year computer related degree program which contains at least 40 credits in computer related classes.

Graduation Requirements

1. This document does not substitute for meeting with your advisor. See the current CWU catalog for complete degree requirements.

2. Completion of the BAS-ITAM core requirements and one of the BAS-ITAM specialization list of courses with a minimum grade of C- in each course.

3. Complete 180 total credits (including transfer credits) with a minimum of 60 credits in upper-division courses with a minimum overall GPA of 2.3.

4. Review Advisement Reports regularly to check your status towards completion of all university requirements.

5. CWU Basic and Breadth requirements, except world languages and computing fundamentals, must be completed prior to graduation. A world language is NOT required for this degree.
