CWUP 2-50-100 Use of Closed Circuit Television and Cameras

This policy applies to the procurement, installation, update, monitoring, and use of closed circuit television and camera systems (CCTV) on the Ellensburg campus of Central Washington University (CWU).

CCTV is used to monitor university public property, structures and buildings, including those areas occupied by businesses, general retail or other services in order to deter crime and assist university police and parking services in providing for the security and safety of individuals and property of the university community. Video monitoring in areas where someone would have a reasonable expectation of privacy, such as classrooms, offices, restrooms and locker rooms is prohibited.

The vice president of operations through the chief of police or other designee is responsible for this policy and the relevant procedure, CWUR 3-40-960.
