

Strategic Operations Team – Meeting Notes
December 16, 2011
8:00 a.m.

Core Theme 1:

- a. Noted that Gayle Dohrman in student employment will be able to help track work study.
- b. Marji to change wording so that it tracks the percentage of work study students working in a field related to their major.
- c. Motion made by Wayne, seconded by John. All are in favor of approving Core Theme 1.

Core Theme 2:

- a. Not in final form. Will review at next meeting.
 - i. Adding additional outcome to better represent Inclusiveness.
 - ii. Rewording 2.1.2.2 so that it does not say “information systems”
 - iii. Consider tracking student ID cards for participation in events

Core Theme 3:

- a. Noted that NWCCU will want a measure of what quality and impact means.
- b. Use “sustain” instead of “increase”
- c. Motion made by Connie, seconded by John. All are in favor of approving Core Theme 3.

Core Theme 4:

- a. Changed “the number” to participation in 4.1.1
- b. Strike 4.4. Use language from 4.4.1 to create 4.1.2
- c. Motion made by John, seconded by Wayne. All are in favor of approving Core Theme 4.

Core Theme 5:

- a. Not in final form. Will incorporate into a table and have ready for review at next meeting.

CWU Institutional Mission Evaluation System

- a. Strategic Plan will operationalize at divisions, then to colleges, then to departments.
- b. Sub team to define institutions activities, evaluate effectiveness of whether these outcomes are being achieved.
- c. Sub teams need to work with departments identified to get results and analyze data.
- d. What are improvements to outcomes and indicators? Does criteria need to change? Do we need to provide other data?
- e. Will continue to review this at the next meeting in the second week of January.
