Emergency Pass/Fail (EP/EF) Grades

(1) In the event of a major campus emergency, the Provost may authorize the conditions of use for the grades defined below.

(A) Instructors shall submit course grades as usual.

(B) Students may elect EP/EF conversions on a course-by-course basis.

(C) Upon such election, letter grades of C- or better shall be converted to a passing grade of EP; grades of D+ or lower shall be converted to EF.

(D) Students will have 3 days after the date on which final grades are due to choose to retain the assigned letter grade or to choose an EP/EF grade. This choice will be available on a course-by-course basis.

(E) Credits earned with a grade of EP/EF are not included in the computation of grade point averages.

(F) Credits earned with a grade of EP shall count toward program-specific passing requirements and general education requirements. Moreover, a grade of EP shall satisfy the prerequisites of subsequent courses.

(G) Transcripts that show a grade of EP/EF shall include a statement indicating that a state of campus emergency existed during the quarter in which the grade was posted.

(H) Credentialing for some programs/scholarships may require students to select the graded option. Students should consult with their major advisor before choosing the EP/EF grade.
