---

Please list any S&A funded position that have been vacant longer than six (6) months. If any vacancies exist, please explain how you utilized the funds and what your long term plans are for the position.

No vacancies exist at this time.

Please provide an overview of the student centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

University Recreation serves the student body through a variety of programs and services. The area of recreation administration and operations oversees all of university programs to ensure a remarkable student recreation experience. University Recreation consists of the Recreation Center, Intramurals, Sport Clubs, Group Fitness, Personal Training, Athletic Training, Outdoor Pursuits and Rentals, and open recreation. S&A support for this budget area is in the form of flat funding for existing administrative positions. Additional funding is comprised of student recreation fees and generated revenue. The following are some details related to this PID:

* Serves the student population with an approximated 7000-8300 students participating.
* Provides sporting equipment to support open recreation play such as basketballs, volleyballs, and more.
* Provides operations and administrative support for approximately 154 student employees and 14 professional staff employees.
* Maintains records for student staff including First Aid, CPR, and van certification.
* Maintains professionalism of Recreation Center and participant satisfaction through staff uniforms, custodial support, and customer service.
* Provides service for strength and cardio equipment.
* Provides offerings to promote student development and involvement including events like the Zombie...
1) A transfer from the REC Access & Floor Staff budget of $19,499.00 into Rec Admin and Operations. 2) Supplemental classified staff pay increase offset $1,331.55.
