Executive Board Report:

- Chair: Spencer Biallas- Last Wednesday, On January 28th I was able to attend lobby day. One of the first meeting I had is with the Representative Hansen the chair for Higher Education. We discussed the supplemental budget request. He said that it was "highly unlikely that it will pass." I would like for all the Orgs to be on top of their Orgs in a professional manor because if they lower budgets I do not want ESC to be one of the budgets they decided to decrease.
- Executive Assistant: Evelyn Briscoe- Well I have been working on sending out a bunch emails to NASA and FGSO so that we can work on getting them recognized and what they need to do before they turn in a funds request. I am also just waiting on you all to get your information in for the partition boards so that I can start working on that.
- Community Programmer: Olivia Durham I am working on getting stuff together for the potluck. I have also begun to plan for this big event in the spring time.
- Advisor Michelle Cyrus I would like to remind everyone that the Civil Exhibit is for 8-11 daily. The exhibit will close down Friday, February 6th at 4pm. There are two events that are coming up this month. The first is on February 11th, there will be a film called "Order of the Myth. It is a black and white Mardi Gra film. The second event is on February 12th at 6:00 pm in SURC 137 a/b. It is a

Place to help create awareness, leadership program. The next three events are too be held in Chicago, Atlanta and New York. It's completely inclusive.

If your Org is thinking about going to one of these, you need to have your funds request in 21 day in advance because of travel. Also they have deadlines and to get it the cheapest possible you want to get a spot as soon as possible.

Public Comments: Public Comments may be submitted to Spencer Biallas in person or via email ascwucommunity@cwu.edu. Public comments may also be presented at the time of the meeting

Spencer: I would like to thank MeCha for making the Tamales

Evelyn: I would like to invite everybody to SISTERS. Our first meeting is Friday at 4:00 pm in SURC 140. It is potluck style so everyone come and enjoy some food and good company

Adjournment:

So moved by BSU

Seconded FASA
