#### **Executive Board Report:**

**Olivia Durham:** We have been working on organizing the office and making it a welcoming space for all students including ESC orgs to spend their time and work on projects. The ASCWU office has also recently had the name of D Street changed to Wildcat Way.

**Morgan Leblanc:** We've been working hard on sexual violence awareness and prevention programs here on campus and have a lot of big stuff brewing.

**Hannah Barclay:** We recently started speaking with WSA about advocating for EBT on college campuses.

**Michelle Cyrus:** Make sure you get your updated advisor info in ASAP! Also turn in early funding requests, there will not be any suspensions of the bylaws this year. Tonight there are free chocolate and strawberries in Black 151 as part of the Latino film series, and there is free food at the Pow Wow this weekend on the science lawn.

### Org Reports:

**ROTARACT:** We are assisting with the October blood drive

**Black Student Union:** We are hosting a soul food fest in November. Flyers have been made but we are still looking for more volunteers.

**FASA:** The Filipino Olympics on November Seventh needs volunteers.

**EQUAL:** We helped with "Get Ready to Come Out Day." We are also meeting as an org with justice Mary Yu. On October 15th we have Q&A With a Gay. We also encourage people to wear purple on October 15th in support of the LGBT community.

**MECHA:** We're planning Tamales sales as well as other fundraiser ideas. October 12th is the Latino Welcome Back and we're involved with that.

**ABLE:** We are working on White Cane Day , and have a new activity that we're doing this year. We're preparing to do volunteer hours at Boo Central. We might be doing a first six weeks program. It's called Seeing beyond barriers, where students can ask about different disability services on campus. This event might not be happening, though.

**AUAP:** We're working with Houses for Humanity. Next week we're playing Hearthstone and planning upcoming culture nights. We're also in need of more male campus friends.

**FGSO:** We're doing volunteer work at local high schools and planning a fundraiser.

**Old Business:** No old business to discuss

### **New Business:**

- **Discussion about voting on ESC General Budget purchases**  
Looking to update constitution and bylaws to see if general esc budget requests should be voted on. ESC block party might conflict with this voting, and other major purchases might as well. General consensus is that the current system is fine.
- **Contact Information -- Org Members**  
Get the contact info for ESC reps and advisors in the orgs. Bring it back soon or funds will be held.
