### Executive Board Report:

- **Chair: Olivia Durham**

I've been working to process all of the funds requests for this week and our office has been working on the coat drive, which will be starting next week. The student government office as a whole has been working on the Veteran's Memorial. We have also been discussing the idea of hosting a leadership conference at our school, with the main theme being diversity and how to navigate it within institutions such as student governances.

- **Executive Assistant: Morgan Leblanc**

We have been working hard on making sure the coat drive goes smoothly and we have been discussing what our plans are for the upcoming quarter.

- **Community Programmer: Hannah Barclay**

The coat drive has been going very smoothly; we have drop off locations that are going to be set up in the SURC, Starbucks, and even in D&M Coffee. It's all starting next week and we're expecting great results. On top of that we have been cleaning up the area in the back, which is looking a lot better now.

- **Advisor: Michelle Cyrus**

Martin Luther King Jr. week is here and tonight we are screening Selma in the theater from 7:00-9:45 pm. Make a Difference Day will be on campus from the 12<sup>th</sup> to the 13<sup>th</sup>. We'll be playing Eyes on the Prize in the SURC Pit on both of these days as well. MOLODI Live will be performing in the SURC Ballroom for free on January 13<sup>th</sup>. We're also hosting a Peace March that is starting on January 14<sup>th</sup> at 3:30pm in the SURC pit. After that we're going to be having a Martin Luther King Jr. Remembrance program in the SURC Theater at 4pm.

I would also like to remind all of you to get your funding request in as soon as you can and to make sure that you are scheduling spaces for events because all of the spaces are filling up very quickly. Also make sure that you're submitting receipts as soon as possible, if you wait too long you won't be able to get reimbursed for things.
