Executive Board Report:

- **Chair: Olivia Durham**

Last week the office hosted the Student Governance Summit and even though there were not a large sum of attendees, we had a lot of wonderful and dynamic discussions throughout the course of the day. We drafted a Memorandum of Understanding that addressed the ideas of equity, diversity, and inclusion on campuses across the state and we had about thirty people sign it in total. I've also been having a ton of meetings and interviews about the current state of student government, which we will talk about under Issues, Concerns, and Announcements.

- **Executive Assistant: Morgan Leblanc**

I attended the Student Governance Summit last weekend and we had a lot of wonderful conversations about the issues that are facing schools across the state.

- **Community Programmer: Hannah Barclay**

I attended the Student Governance Summit as well and really enjoyed it. I've also been working with two concerned to students to see how we, as a school, can best work to serve the homeless population of Ellensburg. We have a meeting set for Monday afternoon.

- **Advisor: Michelle Cyrus**

The President is interested in having dinner with each of your organizations, including Brother 2 Brother and SISTERS. The first group he will have dinner with is MEChA, with the rest to be determined. I want to come around to each organization to help schedule the dates for those dinners. The attire will be business casual and will be taking place at the President's house. I also need to get the times and dates for graduation celebrations as soon as you all have them.

This week we're wrapping Lumpia for our Lumpia sales, which will be sold by dining fresh for students. We're also tabling next week to sell packs of our frozen Lumpia. We also talked about our upcoming conference and how much that is going to cost and we have started preparing for Barrio Fiesta which will be taking place on the Barto Lawn on May 7th. We're inviting all the organizations to have tables at the Fiesta, which will be great for programming and for reaching out to students.

- **EQuAL**

Not present to give report.

- **MEChA**

We have our last MEChA meeting next week. It will be in the Cesar Chavez room from 5-6PM next Wednesday. We're also tabling to sell Tamales and tickets for our dance at the Moose Lodge tonight. It is five dollars at the door or three if you buy them beforehand. We also have our MEChA retreat which will be Saturday and Sunday. It will be starting at 5pm in Meisner Hall.

- **ABLE**

We had our Rare Disease Day event. It had a wonderful turn out and we handed out buttons and magnets from the Rare Disease Day organization to people that participated.

- **FGSO**

We are planning an open house and a potluck for next quarter. We also want to bring in a guest speaker of some type for next quarter.

- **AUAP**

On March 10th at 5 PM we're having a movie night in the WEC. We're going to be watching Spirited Away and we think that it is going to be a great time. We're also looking for more campus friends that are willing to engage with our students. If you're interested pick up a form from the International Office.
