### Executive Board Report:

- **Chair: Olivia Durham**

I've been working all week on setting up the food drive! We're partnering with CLCE in their Don't Waste, Donate project. On June 3<sup>rd</sup> 4<sup>th</sup> and 5<sup>th</sup> we're going to have people standing out in front of grocery stores trying to get people to donate food to us for Fish food bank. We're also going to have boxes from the 6<sup>th</sup> to the 10<sup>th</sup> in the SURC.

- **Executive Assistant: Morgan Leblanc**

I had a super busy week because of my classes, so my week has mainly consisted of administrative work and helping Olivia plan for the food drive.

- **Community Programmer: Hannah Barclay**

I've been working with Olivia on the food drive. Other than that, our office will be looking into allowing local homeless populations to use the shower facilities at Dean and Science. PUSH is also looking into using space at Brooklane as a kitchen facility for local homeless populations. We're going to be looking into that more next week.

- **Advisor: Michelle Cyrus**

Not present to present.

### Org Reports:

- **BSU**

Michelle wanted me to tell you all to go to Polyfest! There will be a barbecue outside of McConnell at 4 and the event starts at 7. Other than that, BSU is preparing for black grad and we're also preparing to help with Pride.

- **FASA**

We did nominations for our elections yesterday. We're partnering with Wilson hall and we're working to do a Filipino cultural night in the near future.

- **EQuAL**

We have all hands on deck to work on planning Pride. We're also doing a lot of work with our Q&A with a Gay program and we have a bunch of them coming up over this next week in residence halls. We had elections last Tuesday so we have a brand new board. Also, if your org wants to participate in Block Party, please get your submissions in by the end of next week.

## Associated Students of CWU Student Government

- **MEChA**

We're planning on doing a lot of fundraising in the near future just so we have a good bit saved up at the end of the year. We're also continuing our mentorship program which is going very well for a lot of our students. We also talked about Shady Acres at our meeting; we're having a meeting at the trailer park where we'll be seeing how we can better help the community itself. The Shady Brooks community will be meeting at the farmers market to do a march in protest of the proposed removal and we plan to go and march with them. We also have a social night where we are going to be able to speak about issues in our community. Our last meeting will be on Wednesday May 26.

- **ABLE**

We had our Guide Dog 101 table set up all week which had an amazing turn out. People came and we had over 100 people visit our table during our time there. We also had our open meeting yesterday where we had pizza and games. We had maybe 20 people show up for the event and we've gotten 8 new members from it.

- **FGSO**

We didn't have a meeting this last week, but we have our board nominations next week.

- **AUAP**

AUAP night is coming up on June 6<sup>th</sup> and other than that we're just volunteering around the community.

### Old Business:

- **Constitution and By Laws**

Voting tabled until next week until the representatives bring the information back to their orgs.

### New Business:

- **FISH Food Drive**

As above. We need as many volunteers as we can get.

- **Shady Brook Update**

ESC orgs are encouraged to march with the community at the farmer's market to show that we stand with the community.
