OFFICER REPORTS

- **Executive VP, Nick Shuey:** Has been busy setting up a meeting with Chief of awards, in order to compile a budget. I have received funding for a spring concert, and finalizing the project ID to move all of the funds into one account.
- **VP Clubs and Organizations, Phil Rush:** I have been working on bylaws, and waiting to vote on the club senate. Making it easier to redo placards for club members. Could be potentially making it possible for clubs to make their own placards, and design them how they want to.
- **VP Academic Affairs, Jenn Treadway:** Thank everyone for the help with scholarship night. I am looking to do two scholarship nights next year. I have been working on finalizing four-year course schedules for next year. Pushing for a consistent schedule on classes offered. This will make it easier for freshman and sophomores. SAS will be involved with academic events for spring quarter.
- **VP Equity and Community Affairs, Spencer Biallas:** Day of action will be on SURC West patio from 11am-2pm. I also worked on rescheduling the retreat to next Friday. Also, I have been working to add another club to be recognized to the equity counsel. Officers are being prepared for spring quarter.
- **VP Student Life and Facilities, Rob Lane:** I have been approved for \$5,378 for a concert in spring quarter. Currently contracting artists, and working with Scott Drummond. I have also implemented “Wellingtons closet”, this is a huge asset because each suit costs around \$6,000 and we were not locking them up until now.
- **VP Legislative Affairs, Cassie DuBore:** Saturday both Nick and Cassie are going to Olympia for a board meeting. Also, she has been working on setting up meeting with the governor to talk about the importance of higher education. Currently, still looking for more students to join the meeting.
- **President, Yosef Gamble:** This week I hired PR Director Erin Babcock. Last week I worked on finalizing standards. I scheduled a radio interview with the 88.1 the Burg. Now 88.1 will be interviewing Nick Shuey to talk about what he is currently working on as Executive VP. I spoke with Melody Madlem to talk about student government, and inspiration. Now, I am volunteering with the amazing race event to continue the volunteer hours for student government. Also, I finalized the public meeting schedule for spring quarter.
