#### **New Business:**

##### ➤ **Online Programing**

Matthew: Throughout the quarter we have had online fitness classes and programs. OPR also has had videos posted about backpacking and hiking. More collaborations with HR and sports centers, virtual 5K.

Michael: we have had a small and devoted social media following.

Mickael: How many students P. T's are on staff?

Michael: about 30

##### ➤ **Budgetary Update**

Central Washington University **LEARN. DO. LIVE.**

## **Associated Students of CWU Board of Directors**

Matthew: Lose half a million , looking at potentially having to not offer summer programs, laying off prostaff in august, following governs order we are looking at reopening in September, unable to purchase the new equipment (spin bikes), we are planning to do a deep clean as an optional way to work for hours.

➤ **Reopening Plan fall 2020**

Michael: Software updates to see if gym is full or not. Climbing wall and other activities are on committees to see what this will look like in the fall

➤ **Student Staff & Deep Clean**

Michael: intense process where the REC center is cleaned and disinfected, equipment, sauna. CLA tannings for customer service for the 30 employees that are active.

➤ **Plan for transferring files / Committee Seat Filling**

Michael: Filling seats for a first year and employee position. Legacy of committee roll over, potential options of promoting.

Mickael: Most of the seats I filled were connections made in person

### **Student Feedback and Discussion:**

Alejandra: Since recruiting in person won't be an option any can we promote on social media or email to see what students would be interested on the committees.

Michael: That could be a possibility Alejandra Will you be coming back in the fall?

Alejandra: I can't guarantee anything yet that would be up to whoever wins this election.

### **Adjournment: 3:**
