

Talk to your advisor about courses and sessions offered this summer. Taking classes over the summer helps you finish your degree faster. Summer is also a good time to get your Gen Ed courses **(highlighted on the list below)** out of the way, as well as focus on those hard-to-get-into courses that are often required for your major. Be sure to check out our online courses too.

We will continue to update this list as we add more classes. Be sure to check the schedule of classes on MyCWU for class details and all the latest updates.
