

Meet Dale Lonowski, Program Specialist 5 for the Human Resources Department

“It's obvious that Dale loves the Wildcat Way! New Employee Welcome and Wildcat Way workshops are just a couple of ways that Dale's excitement about Central Washington University is transferred to the colleagues around her. Dale shows her team, department and community what it means to be a Wildcat Employee by consistently being welcoming, inclusive, knowledgeable, responsive, and proud. Thank you, Dale, for showing me, not just teaching me, what it means to be a Wildcat!”

Thank you for exhibiting the Wildcat Way, Dale!
