

Meet Nate Smith, Fiscal Analyst 3 for the Contracts & Procurement Department

“I reached out to Nate with some simple questions regarding traveling. Nate responded by not only answering questions that I didn't know I had, but he also offered to come to my office to help me submit everything correctly. He was extremely helpful and exhibited the Wildcat Way by taking his time to walk through the process with me. He is very customer service oriented and helping others seems to be second nature to Nate. I look forward to traveling again so that I can work with someone so knowledgeable and welcoming!”

Thank you for exhibiting the Wildcat Way, Nate!
