

Meet Heather Harrell, Post Awards Manager in the Controller's Office

“Heather Harrell is such an asset to our university. As the Post-awards Manager, she is managing complex, multi-faceted grants and projects for our unit for which we are required to align ourselves with federal, state and institutional regulations. She has proven to be a knowledgeable, timely, and accurate resource who demonstrates a work ethic that continuously confirms her commitment to the important work she does here at Central.”

Thank you for exhibiting the Wildcat Way, Heather!
