

Meet Patrick Coffey, Academic Counselor for the Academic Advising-Declared Majors Department

“My colleagues in Professional Advising are knowledgeable, proficient, and collaborative. Mr. Pat Coffey is an outstanding example of this. He has assisted and shared his varied expertise with the university as unusual requests or issues may arise for certain students that I serve in the ETSC department. Both I and these students are grateful for his prompt responses and skilled familiarity with the intricacies of the CWU system.”

Thank you for exhibiting the Wildcat Way, Patrick!
