

# The Alumni Informer

Issue #1 November 5, 2007

Bringing you the latest in Kappa Xi breaking news information.

## Where We Stand

By Janelle Masters

An issue of major concern discussed at the Alumni Weekend recently was the status of AKPsi in the eyes and minds of members of the ASBOD. Kappa Xi President, Bob Morrison, met with ASBOD member Dan Sweeney, Vice President of Clubs and Organizations, last week. "Dan Sweeney is totally on board with us," said Brother Morrison at Thursday's GBM. "Right now, according to Dan Sweeney, we are working well within the confines of Central's rules for clubs and organizations." It is still undetermined

whether Sweeney, or any other ASBOD members will be coming to speak to the chapter at a later date.

## Kappa Xi Rocks BOO CENTRAL

Several members came together on Halloween night to participate in CWU's annual Boo Central trick-or-treat event. Brothers organized a booth where kiddies could color pictures to take home. Kids of all ages enjoyed the coloring activities at

the AKPsi booth. We also gave out candy and little toys provided by Brother Robyn Townsend.

## Magazine Sales!

Kappa Xi is once again launching our holiday on-line magazine sale. This promotion is ran through [fasttrackfundraising.com](http://fasttrackfundraising.com), an online fundraising website created by AKPsi alumni from UCLA. Everyone on the list serve will receive an email with the start date of the fundraiser very soon. The chapter earns 40% of all sales, and as a bonus, if we sell 20 subscriptions on our

first day of sales we'll earn an additional \$100. Magazine make great holiday gifts (and talk about EASY!) Check your email for information about the upcoming sale.

**Write for The AI! Send your 100+ word article to [kappaxiAI@hotmail.com](mailto:kappaxiAI@hotmail.com) Members and alumni brothers can contribute!**

## The Alumni Mentoring Program

By Marisa Tesch

During our recent Alumni Weekend a suggestion was made that we consider forming an Alumni Mentoring Program. At our GBM on the first of November we decided that

### **BOO CENTRAL**

(continued from front)

The big hit, as always, was Brother Wiggins in his very scary skull/warrior costume. This year he posed for pictures with the children, and they loved it! A few cried, but many (surprisingly) were not scared at all. It was great to see Brothers come together for this fun community event. Let's do it again next year.

this was something we would like to start in our chapter. The mentorship program will be a great communication tool between current members and alumni brothers, while at the same time providing our members with valuable information from the real world experience of our alumni. Members will be

resumes, cover letters, and life in general. In you are interested in becoming a mentor for a current member, please contact Marisa Tesch at 253-335-7843 or [teschm@cwu.edu](mailto:teschm@cwu.edu). We will try to match members with alumni who have similar fields of study and interests.
