

2008-2009 Catalog*
B.S. Business Administration
with a Specialization in Operations & Supply Chain Management
Total Credits: 94-95

Operations and supply chain management (OSC) builds on the business core and prepares students for careers as analysts, decision makers and managers in any and all segments of the organization's supply, production and distribution chain. Students who complete this program will have a fundamental understanding of the systematic, integrated nature of the creation and delivery of goods and services, and the manner in which the supply, production and distribution chain includes or involves other internal and external entities. Students will be able to solve problems and make decisions in this environment by using concepts from accounting, economics and other business administration areas, computing and analytical skills, and appropriate quantitative and qualitative models.

Admission Requirements

Students must apply and be accepted into the major prior to beginning 300- or 400-level business coursework. Application forms are available in the department offices. The completed form must be accompanied by transcripts that reflect all prior college work. Admission shall be based on grades earned in the following courses:

<u>Pre-admission Requirements</u>	<u>Credits</u>
ACCT 251 - Accounting I	5
ACCT 252 - Accounting II	5
BUS 221 - Introductory Business Statistics	5

Additional BSBA Graduation Requirements

The following special rules apply to students seeking the BSBA major:

- Students must earn a minimum cumulative GPA of 2.25 in the 94-95 credit in-the-major coursework to be eligible for a degree. In addition, the Department requires a minimum GPA of 2.25 in the 59-60 credit upper-division component of the in-the-major total.
- Students must complete a minimum of 90 quarter credits of non-business courses, which may include up to 13.5 quarter credits of economics and 9 quarter credits of business statistics (BUS 221, 321). For the purpose of this requirement, "non-business" courses include all EXCEPT FOR those with the prefix ACCT, BUS, ECON, FIN, HRM, MGT, MIS, MKT, or OSC.
- Transfer students must complete at least 40 CWU business credits to be eligible for the business administration degree.
- The BSBA program requires a single specialization of at least 25 credits. Occasionally a student requests a second specialization. To be eligible for a second specialization, a minimum of 20 unique credits must be completed. Unique in this sense means the credits have not been used as part of any other BSBA specialization.
- Business courses taken to fulfill the requirements for an undergraduate or graduate degree from the CWU College of Business must have been taken within the last ten years at the time of graduating. Exceptions may be made, but must be approved prior to acceptance into the College of Business by the department chair and dean or designee.
