Economics

with a Specialization in General Economics

Total Credits: 77-78

This specialization is recommended for students desiring the traditional Economics major. Highly recommended supporting courses: MATH 172, MATH 173, and FIN 370.

Admission Requirements

Students must apply and be accepted into the major prior to beginning 300- or 400-level courses in the CB. At the time of application, the 20 credits of pre-admission coursework should be substantially completed. Application forms are available in the department offices. The completed form must be accompanied by transcripts that reflect all prior college work. Admission shall be based on grades earned in the following courses:
