

CENTRAL WASHINGTON UNIVERSITY

Political Science

General Departmental Information

The Department provides an opportunity for students to become knowledgeable about the general subject matter of political science, while also offering a variety of courses that can provide depth in an area of the student's interest. Flexibility in the selection of courses is stressed.

The Department requires all Political Science majors to participate in the end-of-major assessment exercise at the conclusion of their senior year. Information on the assessment requirement may be obtained from the department's main office.

Graduates of the Department enter career fields such as federal or state government, other public service vocations, secondary school teaching, business, public relations, and the like; or they continue on to graduate study in law or political science.
