

**Central Washington University School Psychology Professional
Education Advisory Board
Minutes for September 28, 2007**

Members Present: Cindy Jacobsen, Gene Johnson, Keith Mars, Chuck Rehberg, Steve Gill, Sherri Bentley, Eric Andreassen, Al Albertson, Tammie Jensen-Tabor, and Joan Jensen.

- I. **Treasurer's Report:** Although not present, Bill has indicated that the PEAB finances are now in the red. We will no longer be reimbursed for review time. Franklin Pierce continues to be our financial agency. OSPI has not given us the grant yet this year, which should be forthcoming and allow the PEAB to have a positive balance. Gene suggested that the remaining monies in the alternate fund might be used to send students to conferences, etc. No action was taken on this suggestion.
- II. **Membership:** We have some new and returning members: Chuck Rehberg, Eric Andreassen, Sherri Bentley and Joan Jensen.
- III. **Standards for the Continuing Certification:** We are currently shifting to the new certification standards, which are aligned with the NASP and the state standards. There are benchmarks associated with each standard and activities that candidates may do to meet the requirements included in the new handbook. The purpose of redoing the handbook is to familiarize the PEAB members with the new standards, and to increase the comfort level with the new process for professional certification. At this point, more will be expected of the candidates with regard to meeting the standards and more guidance will be required from the PEAB members who will be part of their review committee.
- IV. **Professional Certification:** The state standards board approved the professional certification standards. There will be candidates ready to start this process next fall. The requirements to begin the process include working two consecutive years in the same role in the same district.
- V. **Certification Candidates:** Keith introduced the PEAB process to the candidates. Then small groups were formed to help the candidates develop a plan. The candidates for continuing certification are: Robin Latham, Christopher Wermus, Craig Wiley, Sandra Mathews, Pamela Lee, Cinda Boswell, Omar Othman, Dean Grimm, Jake Alabiso, Holly Galbreath, Donna Guise, Susan Stroud, Janet Wohl, Todd Sharon, Benaya Allison, Midge Crawford, Annemarie Hutson, Allen Spadafue, and Beth Neff.

January 11th at 9:30 at Franklin Pierce
