Report

Agenda item: EDCS 509 (Civic Engagement)

Change the prefix from EDCS to EDAD.

Conclusions: The form used for this curriculum change was a Major, Specialization, Minor, or Certificate Change Form; the form needed was a Course Change Form. It was pointed out that this course is always cross listed, and taught by one professor. It was also noted that the course is taught on the west side. The recommendation from the council members is that the Advanced Program create a new EDAD 509 class rather than just changing the prefix; therefore leaving EDCS & FCSG on the books as well. The curriculum was sent back.
