

Undergraduate Curriculum Committee Report (taken from Advisory Council Meeting)

Black Hall Room 228-19

Report By: Shari Stoddard (Co-chair)
Note taker: Barbara Sisko (CTL Secretary)
Timekeeper: Barbara Sisko (secretary)
Attendees: Advisory Council Members

Report

Agenda item: CHEM 181 (General Chemistry)
Title changing to General Chemistry I) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 181 Lab (General Chemistry Laboratory)
Title changing to General Chemistry Laboratory I) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 182 (General Chemistry)
Title changing to General Chemistry II) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 182 Lab (General Chemistry Laboratory)
Title changing to General Chemistry Laboratory II) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 183 (General Chemistry)
Title changing to General Chemistry III) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 183 Lab (General Chemistry Laboratory)
Title changing to General Chemistry Laboratory III) and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 251 (Quantitative Analysis)
Number change to 332 and adding course description.

Conclusions: Recommended as is.

Agenda item: CHEM 345 (Environmental Chemistry)
Description change.

Conclusions: Recommended as is.

Agenda item: CHEM 350 (Inorganic Chemistry)
Description change.

Conclusions: Recommended as is.

Agenda item: CHEM 361 (Organic Chemistry)

Title changing to Organic Chemistry I, and description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 361 Lab (Organic Chemistry Laboratory)

Title changing to Organic Chemistry Laboratory I, and description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 362 (Organic Chemistry)

Title changing to Organic Chemistry 2, and description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 431 (Biochemistry)

Title changing to Biochemistry I, and description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 431 Lab (Biochemistry Laboratory)

Description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 488 (Colloquium)

Title changing to Colloquium II, and description changing.

Conclusions: Recommended as is.

Agenda item: CHEM 492 (Laboratory Experience in Teaching Chemistry)

Description changing.

Conclusions: Recommended as is.
