

Data for each course was collected from a LiveText folder. First, targeted standards were analyzed and compiled by WA State Standard IV or V. Second, level of candidate success was compiled.											
Combined, this is a summary of candidate success. The data below is separated by WA State standard (V)											
**Standards collected for EDCS 300 came from course syllabus and level of success provided by Office of Field Experiences											
	Foundational Knowledge			Effective Teaching			Professional Development
