

CONDITIONAL UNDERGRADUATE ADMISSION
FOR INTERNATIONAL STUDENTS
AT CENTRAL WASHINGTON UNIVERISTY

Without the TOEFL score, you can apply for conditional undergraduate admission and UESL admission. Then, enter the UESL Program and receive our program recommendation **or** the TOEFL score for full undergraduate admission. You can receive the UESL I-20 right away or later with the Letter of Conditional Admission; the Letter of Conditional Admission takes 3-4 weeks.

For UESL admission, we need the UESL application, \$50 application fee, bank statement, copy of passport information, and a copy or an original educational document. To reserve housing, we need the Housing Application +\$200 deposit **BEFORE** you arrive.
<http://www.cwu.edu/~esl/admissions.html>

To receive conditional undergraduate admission, we need all of the CWU undergraduate application materials: original transcripts showing at least a 2.5 grade point average; undergraduate application, \$50 application fee; a bank statement and Confidential Financial Statement (or official government scholarship letter).
<http://www.cwu.edu/~admissions/index.php?page=international>

College or university transfer credits must be evaluated by an official US evaluation agency. You should your send your sealed official transcript to that agency with the agency application and fee. Here is the link to FIS, one of the evaluation agencies: <http://www.fis-web.com/cwu/>

Send **ALL** materials to the **UESL Office**.

You may pay by check or by sending MASTERCARD or VISA information using the Credit Card Authorization Form below.

CREDIT CARD AUTHORIZATION FORM
