

Dear Prospective Student:

Thank you for your interest in our program. I hope you will consider the advantages of studying in the UESL Program at Central Washington University (CWU) in Ellensburg, a small safe university town in the Pacific Northwest. You will enjoy the individual attention and the many opportunities to practice your English outside class at CWU. We offer a high quality program at a low cost.

Please complete and return the application materials as soon as possible. We will send your I-20 form to you after receiving your application form, bank statement, proof of at least high school graduation (or a letter explaining your special situation) and the \$50 non-refundable application fee. To reserve a dormitory room on campus, send your Housing Application and \$200 as soon as possible.

The UESL faculty and staff welcome the opportunity to serve you. If your plans include future study at CWU for a Bachelor's or Master's degree, we encourage you to apply for a future quarter. CWU offers **Conditional Undergraduate Admission** (see the back of enclosed application form).
