

# CWU Westside Student Resource Guide

CENTRAL WASHINGTON UNIVERSITY

University Centers  
*A University in Your Community*

As a student at one of Central Washington University's Westside Centers, you are a busy individual balancing the demands of school, work, family life, and more. CWU staff and faculty recognize that you may be under stress and have trouble balancing all these needs.

We have compiled a wealth of information in this booklet including:

- Staff contacts at each of the university centers
- Faculty contacts at each of the university centers
- Community resources in Snohomish, King, & Pierce counties

This booklet is designed to act as a quick resource and reference guide so you know immediately who to contact. It will also provide you with some useful community resources based on which university center you attend.

We are committed to your success and look forward to helping you achieve your academic and professional goals.
