We strongly encourage you to complete this form online at [www.cwu.edu/~housing/discover](http://www.cwu.edu/~housing/discover).  
(See page T3 for details about the online form.)

You may choose to complete the reservation form on the reverse side of this page and mail or fax it no later than July 11, 2008.

**Please make a photocopy of this reservation form for your files and for reference.**

- The one-day **Discover!** New Student Orientation is designed for transfer students who have been admitted to CWU for fall quarter 2008. A transfer student is defined as a student who has been out of high school for at least one full semester and has accumulated 45 or more transferable college credit hours, or a student who has completed course work leading to an associate's degree from a community college. (Note: Running Start students are not considered as transfer students for orientation and are required to attend **Discover!** for incoming freshman.)
- Check-in procedures will begin at approximately 7:30 a.m. If you are traveling a long distance, we strongly suggest you make plans to arrive the night before your session. You may request an on-campus residence hall room for you and/or your guests by completing the appropriate information on the reservation form. Advanced reservations are required. See pages T4 and T5 for more details, costs, and information about hotels in Ellensburg.
- Fees are per person and vary according to your choice to stay on campus in a residence hall room the night before the session. **Discover!** fees are charged to your CWU student account and are not due until after fall quarter begins. After receiving your fall quarter invoice, you may make payments to your student account at the Cashier's Office in Barge Hall. Administrative fees may apply for reservations received after July 11, 2008, session date-change requests, and/or cancellation.
