

University Housing and New Student Programs Goals and Objectives 2005-2006

Goal I. Openness and Respect

Create an environment that values differing ideas and perspectives. Prepare students to value, appreciate and acknowledge the diversity of a global society through engaged community development and student learning. *(University Strategic Goals 1 and 6)*

Goal II. Assessments

Evaluate and enhance quality services of the department by improving assessment of student learning, student needs, programs, faculty interaction, and student growth and development. Communicate findings to students, administration and faculty. *(University Strategic Goals 1 and 3)*

Goal III. Retention

Assist in campus wide services and initiate efforts that help students be successful in college and continue their educational pursuits at Central. *(University Strategic Goals 1 and 3)*

Goal IV. Co-Curricular

Augment classroom experiences by fostering an environment that promotes life-long learning, which includes intellectual, social and emotional growth, and provides leadership opportunities. *(University Strategic Goals 1 and 5)*

Goal V. Staff Development

Implement proper staffing structure and training techniques to successfully accomplish goals and mission of University Housing and New Student Programs and the University.

Goal VI. Facilities/Custodial

Work collaboratively with Facilities Management and Custodial Services to ensure a safe and comfortable living experience. *(University Strategic Goals 1, 3, and 5)*

Goal VII. Budget

Maintain a budget that focuses on facility and program improvements while supporting proper staffing structures and program needs. *(University Strategic Goal 3)*

Goal VIII. Safety and Crisis Management

By working collaboratively with Student Affairs and Campus Safety, create living environments, which allow students to feel safe and secure and know that assistance is available when needed. *(University Strategic Goals 1 and 6)*

Goal IX. Marketing

Enhance the **image** of University Housing and Student Programs so students may understand the benefits of living on campus and participating in the various activities and services.

Goal X. Technology

Utilize technology within the department to promote services and provide for efficient processes, etc.
