Program

Thank you to my beautiful wife, Laura, for her support even though she is busy with her own recital next week. Also, thank you Maria for being such an uncompromisingly musical accompanist. You deserve a lot of credit for the good elements of this recital. Thank you to both Heather Netz and Carrie Rehkopf. I have learned a great deal about violin performance as well as myself from both of you and am proud to be among your students. Dr. Snedeker, thanks for being such a great advisor and helping me stay on track to graduate. I would also like to thank both mine and Laura's families for their love and unconditional support. Lastly, I would like to thank all of my friends here at CWU for being here. You have made my experience here at Central a wonderful one and I'll miss you all.
