Distance Education and Web Courses

Last Updated: April 25, 2008

INSTRUCTION MODE

IT = These courses require students to attend class during scheduled hours.

WC = Most instruction and required activity, though not all, is delivered via the web.

WE = Some instruction is delivered via the web, however the majority occurs through a delivery mode other than the web.

WP = Web technology is used to distribute course material and link students to internet learning resources.

WW = All course activity is conducted via the web, including assessments. There usually is no requirement for attendance at a specific location.
