

**LOWER COLUMBIA COLLEGE - CENTRAL WASHINGTON UNIVERSITY
2007-2008 TRANSFER POLICIES**

This summary of policies concerning transfer is based on the 2007-2009 Lower Columbia CC catalog and the on-line 2007-2008 Central Washington University catalog (<http://www.cwu.edu/~catalogs/>). This transfer policy guide is located at http://www.cwu.edu/~regi/equivalencies/college_list.html and is updated frequently with new information/course equivalencies.

PLEASE NOTE: Effective Summer 2007, Washington state community and technical colleges are participating in common course numbering. These courses are identified with an ampersand symbol (&); the former course numbers are in parenthesis; equivalencies to CWU are the same for both courses. Students may not receive credit for both. The number of credits earned for an accepted transfer course will be used even if the number of credits for the equivalent CWU course differs.

TRANSFER OF CREDIT:

1. A maximum of 105 credits numbered 100 and above will be transferred, with the exception of: CDS 102-240; ENGL 100, 161; HOFL 156, 160, 190; WELD 105, 158-259. A complete list of non-transferable courses is available at <http://www.cwu.edu/~cwuadmis/equiv/NON-TRANSFERABLE-COURSES.pdf>. All students transferring from a 2-year school will be required to complete at least 75 quarter credits at a 4-year institution, with a minimum of 45 credits at CWU.
2. PASS/FAIL: A maximum of 15 credits of "Pass" graded courses (student option) may apply for graduation and be applied toward general electives.
3. FIELD EXPERIENCE: A maximum of 10 credits earned in field experience/cooperative education courses may be transferred from a community college.
4. DESIGNATED TRANSFER ASSOCIATE DEGREE: Students transferring with the degree of **Associate in Arts (DTA), Associate in Business (DTA/MRP), Associate in Elementary Education (DTA/MRP) or Associate in Math Education (DTA/MRP)** will normally transfer in junior standing and automatically satisfy the Basic & Breadth Requirements at CWU. Students earning an AA degree after transferring to Central must complete the AA within one year or 45 credits after initial enrollment at CWU. Students transferring with the degree of **Associate in Science, Option 1 or 2**, will normally transfer in junior standing; however, additional courses must be taken by the student at CWU to satisfy the general education requirements.

Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature to work offered at CWU. Toward this end, the University endorses the Policy on Inter-college Transfer and Articulation Among Washington Public Colleges and Universities published by the Higher Education Coordinating Board. The policy deals with the rights and responsibilities of transfer students and the review and appeal process in transfer credit disputes.
