

## Central Washington University - 2007-2008 Transfer Policies

**PLEASE NOTE:** Effective Summer 2007, Washington state community and technical colleges are participating in common course numbering. These courses are identified with an ampersand symbol (&); the former course numbers are in parenthesis; equivalencies to CWU are the same for both courses. Students may not receive credit for both. The number of credits earned for an accepted transfer course will be used even if the number of credits for the equivalent CWU course differs.
