Distance Education and Web Courses

Last Updated: March 17, 2008

INSTRUCTION MODE

IT = These courses require students to attend class during scheduled hours.

WC = Most instruction and required activity, though not all, is delivered via the web.

WP = Web technology is used to distribute course material and link students to internet learning resources.

WW = All course activity is conducted via the web, including assessments. There usually is no requirement for attendance at a specific location.
