

Lab 11: More on the ND and crossover to Excel

Simple grading this lab:

If student sent you the following last **Monday** by midnight:

Write a new section to your MD with the information, questions, answers from the previous lab (A new section was added to incorporate notes from lab 9 on learnings from Excel SBR workbook. Due to your grader before Thursday midnight.

50

If student shows you SBR workbook with a new worksheet something like:

A	B	C	D
Date	SumOfTotalCalories	FirstOfWeight	SumOfCalories
1/17/2009	601	154	600
1/18/2009	2073	154	0
1/19/2009	1732	152.5	950
1/21/2009	1900	152.5	200
1/22/2009	1820	152	650

Field names can be slightly different for 8 and 9 am classes.

I told them different things.
