

Lab 18: Mounting the home page.

Look at the lab directions for this lab.

Be sure you understand the directions and can help students.

Students will create the index.htm page

Put it in the I:drive in the public folder.

Email you their URL.

You check it on Monday please.

Enter grades and send me both 17 and 18 updated same time.

If it works, 50 points. If not, no points.
