

## Lab 2

At start of lab grade the following: Choose students randomly.

	<u>Possible</u>
Is SBR(study behavior record) filled out completely? 5 or zero	5
Class notes of 3 quality? Yes, 5 pts. No zero	5
Check Email for RD (rough draft) attachment to self	3
Check N: drive for RD file	3
Check RD for min. 500 words	10
Briefly read/scan the file. No fluff, no formatting. Good faith work? 10, 5, or zero	10

Grade the following well before end of lab:

Student shows you Search Results (not Google!)	10
Hits must all be .edu domain	5
Screen capture of search results is at end of RD	
Student shows you 1 quote after the screen shot	10
One footnote placed after the screen capture	
100 word summary of site	5
Which university and/or person authored?	5
Student works until end of lab period.	10
	<hr/>
	81

Student should complete lab on own time.

You will check completion of research documentation next lab.
