

Student Union & Recreation Center Surveying and Solicitation Policy

The purpose of this policy is to regulate Surveying and Solicitation within the building while continuing to provide groups and individuals the right to communicate their activities, services, and ideas with the campus community.

A. INTERIOR SPACES:

1. Surveying and Solicitation in the Student Union dining areas are prohibited. This includes, but is not limited to, the Fountain Room, South Cafeteria, Club Central, and Wellington's Lair.
2. Surveying and Solicitation will be permitted in the SUB Pit area, however, groups and individuals will not be able to block the flow of traffic by standing in front of door entrances or exits.
3. The Scheduling Office prior to distribution must approve materials.
4. Surveys are limited to no more than a total of fifteen (15) questions.

B. EXTERIOR SPACES:

1. Surveying and Solicitation within the exterior boundaries of Central Washington University property will be permitted provided that University and State policies are met.
