

WILDCATS RESPECT BOUNDARIES

**Treat Wildcats how
they want to be treated.**

Boundaries are what is okay and not okay for you and others.

To explore your personal boundaries and respectfully navigate interactions with others follow these steps:

- 1 Set and communicate
your boundaries**
- 2 Ask about and respect
others' boundaries**
- 3 Own when you mess up
and violate someone
else's boundaries**

CWU is an EEO/AA/Title IX Institution. For individuals with disabilities who would like to request an accommodation, email Disability Services at DS@cwu.edu. • 26-2293-TS
