

FIRST FRIDAY LEADERSHIP TALKS

Strategic Leadership and Decision-Making: Navigating the Path to Success

November 7, 2025 | 11:00 A.M. - 12:00 P.M. | Shaw-Smyser 115 or Zoom

Dr. Sathy Rajendran

Drawing from leadership experience in both large-scale capital projects and higher education, this session explores how data-informed strategies support long-term success. Through real-world examples and actionable insights, participants will learn how to align decision-making processes with organizational goals, build adaptive strategies, and lead with clarity and impact.

Sathy Rajendran, Ph.D.

Dean, College of Education and Professional Studies

Dr. Sathy Rajendran is the Dean of the College of Education and Professional Studies. He brings extensive leadership experience from both higher education and the corporate sector, offering a unique perspective that bridges academic and industry environments. His professional background reflects a commitment to advancing educational excellence and innovation.

For Leaders at All Levels: Staff, Faculty, and Students.
