340001 Proposed Deviations from DACS

The A/E Team shall list any proposed deviations from the DACS on form 340001 and review as needed with the CWU PM. A/E is not to proceed with the deviation unless approved by the PM.

340002 Owner Provided Project Requirements

Capital projects shall be all inclusive unless agreed to in advance by the CWU PM. Regardless of past experience with CWU, do not assume that CWU personnel will provide materials or perform work on the project unless approved in advance by the CWU PM. Any proposed Owner provide materials or work shall be tracked on form 340002 throughout the design and construction of the project.
