Dear Review Team,

Thank you for helping us to continuously improve our graduate program in Clinical Mental Health Counseling. We appreciate your insights, feedback, and wisdom.

This document was primarily written by Robyn Brammer, who was program director for the review period. You will notice her name, as well as Elizabeth Haviland's name, scattered throughout the document. Dr. Haviland will be the CACREP liaison, and she will take over the roles of academic leader and internship/practicum coordinator beginning August 1, 2014.

You may contact Dr. Haviland at 509-963-2371 or haviland@cwu.edu.

You may reach Dr. Brammer at 714-887-7971 or rbrammer@yahoo.com.

If possible, please use the [DOCX version](#) of the self study (created with MS Word 2013). However, we had difficulty getting all of the links to work, so we are providing an HTML version as well. The HTML version has awkward formatting and is only provided as a backup for MAC users. Also, please see the additional required links as the bottom of this document.

Thank you again for your assistance, and we look forward to working with the site-visit team in February.

Sincerely,

A handwritten signature in black ink that reads 'Robyn Brammer'. The signature is written in a cursive style with a large, prominent 'R'.

Robyn Brammer
