The Associated Students of C.W.U. Board of Directors (BOD) is a unified source for advocacy and development of student life and representation. Our goal is to fulfill the needs of students throughout the entire institution. Student elected positions on the Board of Directors are: President, Executive VP, VP for Clubs and Organizations, VP for Legislative Affairs, VP for Equity and Community Affairs, VP for Academic

Affairs and the VP for Student Life and Facilities. Every position is specialized and comes together to serve students.

The BOD aims to utilize our budget allocation by providing program creation and visibility to all students. The seven members of the BOD continuously strive to improve student life on campus through quality programming, representation to the administration and frequent constituency communication. Dedication to the students often leads officers to work over the required hours per week, but this is necessary in order to conduct the BOD office in an efficient manner.

The goal of the BOD is to fulfill the needs of students throughout the entire institution; with this in mind, we will strive to serve them through trust, integrity and hard work. Thank you for the time and consideration you have given our quadrennial budget proposal. Through the BOD, we are able to serve students through campus events, clubs, and organizations. We also provide volunteer opportunities through campus committees and the shared governance system. The BOD oversees the campus mascot, Wellington Wildcat. We also thrive to support students in their academic ventures and academic affairs. Furthermore, we take stances on legislative issues and support the Washington Student Association.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.
